If at any time, the Security Representative determines that it necessary to stop the draw, the Security Representative shall notify the Drawing Manager and proper personnel and the draw shall be stopped until the situation is resolved.
- 2. Collection of Entries- The Security Representative shall designate specific location(s) and identify opaque container(s) to be used as depositories for entries into the drawing. The location(s) and container(s) used for the drawing will be secured at all times by Lottery personnel. The Security Representative shall ensure that each drawing device is empty before any submissions are received. All drawing devices shall be in a highly visible location and all entries shall be thoroughly mixed in full view of spectators. All drawing devices shall remain on stage until the conclusion of the show.

A preliminary drawing shall be conducted by the Security Representative to establish a smaller drawing pool of finalist entries. An equal amount of entries shall be drawn from each drawing device utilized until at least seventy-five (75) tickets have been selected. The drawing pool of finalist entries shall be deposited in a separate, empty drawing device. The winners of all prizes shall be selected from the drawing pool of finalist entries.

The Drawing Manager shall record the names and addresses on the fifteen entries on the Winner Information Sheet as Prize Package winners #1 through #15 in the order that the entries were selected.

The Drawing Manager shall then direct the Drawing Designee to select one (1) entry from the drawing device containing the pool of finalist entries. Each entry will be given to the Drawing Manager and observed by the Security Representative and the Independent Auditor. The Drawing Manager will verify that the entry drawn is not disqualified. If a selected entry is disqualified for any reason, the Drawing Manager shall direct the Drawing Designee to select another entry from the drawing device. This process shall continue until one (1) eligible entry is selected from the drawing device. The Drawing Manager shall record the name and address of the entrant on the Winner Information Sheet as the Play Along winner.

If the contestant making a selection fails to equal or exceed the cumulative dollar amount already won by the leading Play-off Round contestant, the Play-off round is over for that contestant. The Millionaire Round contestant must demonstrate the decision to accept the prize or continue to play the Millionaire Round. Contestants entitled to the \$1,000,000 prize shall be required to select a payment option by completing a "Hoosier Millionaire Game Show \$1,000,000 Grand Prize Payment Election" form and returning it to the Lottery within sixty (60) days of the Game Show.

If a contestant elects to receive the \$1,000,000 prize in annual installments, the Lottery shall purchase securities to fund an annuity that will pay the thirty (30) annual installments to the contestant. The first annual payment will be paid within 10 business days after the day of the game show. The remainder of the annual payments will be paid on the anniversary date of the game show for each of the subsequent twenty-nine (29) years.

If a contestant elects to receive a present value, lump sum, cash payment, the Lottery shall, in its sole discretion, determine the amount of such payment based on the purchase price of securities necessary to fund thirty (30) annual installments. Neither the Lottery nor the state of Indiana shall be liable for changes in the present value of the \$1,000,000 annuity prize due to interest rate fluctuations and other factors beyond the control of the Lottery. If the cash option is selected, the lump sum payment will be paid, with the prizes from the Preliminary and Play-off rounds, within 10 business days after the day of the game show. If a contestant fails to return the form within the sixty (60) day period, the Lottery will purchase securities to fund an annuity that will pay the contestant in thirty (30) annual installments.
